

# YOUR RADIANT HEART

By Jan Diana

My Beloved Children of Heart,

“Greetings, from within the lightness of our heart. May you each feel the presence of your sweet truth beside you as we share this message of heart.

In the grace of your heart lies all truth. Your heart is your connection to the source of yourself and of the wholeness of the divine.

The pathway to the greater awareness of your heart presence is more easily distinguished by you now more than ever before on your world. The evolving nature of the divine is unfolding as a beautiful lotus, presenting itself for you to view its glory.

Think not of the times in the past when you may have felt alone or abandoned, feeling separated from your heart source. Instead embrace the present, filling yourself with the radiance of your heart shining before you, lighting the pathways of your glorious now and future tomorrows.

Become accustomed to the sweetness of your guiding heart. The luminescence of your heart is most delicious to gaze upon, bringing you into heightened states of joyful awareness of all that is sacred.

You are ready My Children, and becoming ever more so as you prepare for the shifts that are destined to present for your enjoyment. The many dreams of your heart are seeded into your fields, preparing to begin blossoming in the radiance of a new playing field, a new arena where

ease and grace will become a constant.

The greatest key for you in this position at this stage of your personal progression is to open your heart and mind to receive the lightness. As you allow and accept, the seeds will begin to sprout and grow, blossoming into their fullness. This will occur based on your readiness and choice.

Imagine this beautiful garden of seeds of light which you have planted to enjoy in your life experience. Begin to acknowledge your magnificence, your timeless truth and divine nature. Let yourself release from the old experiences of lesser value held in the stories of the past.

Now is the time to claim your destiny of truth. Accept the radiance of your heart as it shines upon the many pathways, illuminating new opportunities to elevate and expand your conscious awareness.

You have dreamed these times of advancements into becoming reality. Celebrate this great collective and personal achievement.

As you embrace more of the sweetness of the radiance of your heart, you will blossom in the splendor of your truth. Glories upon glories await your discovery and choosing.

The fields are filled with possibilities that will delight every part of you. A sense of greater personal empowerment is within your reach, more easily attained now than ever before.

Each seed planted in your fields is nurtured by your loving thoughts and focus. As you allow more joy into your life to experience, the radiance shines in acceptance upon the many seeds of your desired possibilities. The World is changing. Your reality, your own world experience is changing. It is a flowing process which allows the greater vision of life to be recognized and accepted.

As you recognize more of the lightness, it will bring you into a greater peace and sense of knowing of your divine truth and purpose. To live your life filled with great promise is a great dream held in your heart.

It is time to claim your destiny, to know your truth. It is time to live the promise in a more consciously aware state of being.

Embrace the joy, My Beloveds. It is your birthright. You are joy; you are love, in the process of remembering the sweetness that is your sacred nature and truth.

Illuminate your pathways by allowing the radiance of your heart to enter into your daily thoughts and actions. This loving radiance is a constant, it is for you to choose and allow in your readiness.

Be in your heart where peace, joy and unconditional love reside. Know that you are always viewed and known by your sacred truth.

You may have experiences that have felt less than your truth. These are temporary. You will move beyond these as you move forward within your journey of remembering. Soon they will be held only in the stories of the distant past and no longer a part of your present reality.

You are endowed with the seeds of greatness. Walk in your truth, allowing the radiance of your heart to guide and elevate you into that sweetness that brings you peace.

Be in the streams of gratitude for the gift of your life experience. Acknowledge your magnificence and uniqueness. Recognize your life for the gift it is, allowing you the many opportunities for personal growth and development.

Live in the present moment within an open heart. Love yourself, love your life and love all people and all of creation. We are all a part of the same loving source.

Accept the flowing love through the radiance of your

heart. Focus on love. Loving brings remembrance as it is your divine truth and nature. Love is the nature of all that is.

Celebrate your journey as a great master remembering your magnificent truth. You are a wonder to behold.

I hold the vision of your greatness in my sacred heart, radiating it upon you in every moment.

Feel the love as it shines upon you. Loving fuels the gentle blossoming of your growing awareness.

You are My Children of Heart. You are loved and adored always. Enjoy your life journey as the dreams of your heart become your reality. Know that my arms welcome you always into the radiance of our forever heart. Shamon?

With great love,  
Your Beloved Mother
