

THE MAGIC WITHIN

By Jan Diana

My Beloved Children of Heart,

“Greetings, from the Heart of the One. May you be blessed with a sweet knowing of our loving presence.

In the story of time, there are many opportunities to grow and expand your conscious awareness. Elevating your consciousness levels is a very delightful experience. As you notice little witnesses of truth unfolding, it feels as if something magical is happening, like little sparkling lights illuminating your life with pleasure.

Each discovery brings with it the seeds of joyful promises. These promises offer a greater awareness of the nature of self and what is possible. With greater awareness the possibilities expand into the infinite.

Though we may speak about these promises using words, the truer, deeper understanding comes from a sensing of truth. The truth of the divine is held within your heart and known through the language of the heart.

Each awareness will light the fires of passion for more. You have a natural thirst for the truth. You desire to remember the divine nature of yourself and of all that is.

With each step of new awareness comes a desire for more. This is the plan you see. It is your fondest desire to reach beyond what appears as your reality now, into the realms of infinite possibili-

ties.

You are drawn to the light. You desire the sweetness. You know it is there and you know you are capable of reaching it and more.

To remember your divine nature is a journey to the heart of self. Within your heart there is access to all divine truth.

It is a process of discovery. You receive a clue here, a piece there, as you gather up these gems to add into your treasure box. Focus on these gems, allowing them to bless you and prepare you for the next steps in your advancements.

Imagine the possibilities that are here for your discovery. Life on Earth is the grandest of adventures.

Each step takes you to the next phases of expansion. As you recognize more, it will be easier to let go of what is not your truth. You will just know as it doesn't feel like it resonates anymore. Then you can set it aside and focus on building your greater vision which is continually expanding before you.

You are great masters in the process of remembering your sacred truth. You came here to Earth excited and prepared for this grand adventure.

Yes you forgot who you are, that was part of the plan. However you also knew you would find your way back to yourself.

And here you are now, doing just that. The veils are falling away.

The lighter energies of Earth are making it easier for you to let go of all that is not your truth. It is a process, a journey and you are doing it magnificently.

Take pleasure in your accomplishments both as an individual and as part of the evolving collective of Earth. This is an individual journey and yet one shared by us all.

As you elevate and expand, you assist the collective. As all of Earth elevates, it blesses you in your own life and journey.

We experience this journey as individuals and as a collective. This is the grand plan for us all and embraces each one with their uniqueness as well as the collective of all, our family of heart.

There is great love and wisdom in the creation of this grand plan. There is great love and wisdom that made up your own plan, as you created it from your knowing state of being.

Blessed ones, you are simply magnificent. You are gifted. You have everything within your reach to take the next steps. You are guided. You are loved and supported.

The steps are simple. Open to your heart and allow the light to shine. Let yourself receive the love and wisdom from your heart. Love yourself, your life and your journey.

You are ready to move into the next stages of your advancement. Celebrate this. Accept this truth and know there is magic unfolding.

The magic is with you, within your sacred heart. Feel the message of my heart bearing truth to you through your heart.

In the quiet moments, you will find the song of our heart. It is a sweet song, always playing in joyful notes of love and adoration.

As you listen to the song of our heart, remember you are loved. Recognize the wonder of you. Let your light shine and watch how the magic unfolds before you. You are the magic. Shamon.”

With great love,
Your Beloved Mother
