

Rejoice in the Dance

By Jan Diana

My Beloved Children of Heart,

“Greetings on this glorious day! It is with great pleasure that we come together at this moment in time.

There is much flowing on our world, shifting, changing, elevating and inspiring. Along with these many changes which are presenting, there is offered further awareness and inspiration bringing greater clarity. This makes it easier and available to discern and take action upon the many gifts being offered.

Indeed this is a great time on Earth. There are many wonderful celebrations going on for the greatness of you. Each of you are choosing the greater light, always in your perfect timing of course.

Many look upon you and see the truth of your magnificence. From their perspective it is easy to see your truth. They bask in the glory of joyous hearts, for they are celebrating your great wonder, cheering you onward to reach that destination you desire and strive for.

They are your brothers and sisters of heart and have been of great support to you on your journey. Soon you will have a greater awareness of your connections to these great ones.

Imagine now that your journey is becoming so much easier. The reigns of struggle are dropping to the ground, allowing you to take your steps in greater lightness.

The windows of your mind and hearts are opening to begin viewing life from new perspectives. Now you can see the vision of your dream more clearly as it comes into greater focus.

It is as if someone has turned up the lights and what was hidden from sight can now be viewed. Images of sweetness begin to reveal themselves as you open to the possibilities for a more elevated and expanded vision for you and your life experiences.

Remembering your true nature is an exciting adventure. To discover your many innate gifts and abilities which have been hidden from you. To begin to realize what you are truly capable of and then to experience the wonder. Is this not the greatest adventure?

For so many years humanity’s glory has been hidden away. Now the blinders are coming off, allowing the images of truth to be recognized.

Your journey of remembering is a process of recognition, acceptance and development. As you become more accepting of your truth, life flows with greater ease.

It is time to remember your purpose for your life. To live your life in a focused directed manner is your divine right, while allowing each one to evolve at their own pace.

Each one's journey is personal and unique to themselves. Each one has the privilege and honor to restore themselves to a remembered state based on their readiness and choice.

Life is a gift. Plans were made before incarnating to experience and accomplish many wonderful things. Now the time of greater awareness is upon us.

The Rays of Heaven are filtering through to shine such love and illumination upon this glorious world. Hearts are opening like beautiful lotus blossoms to receive the nectar and blossom further.

As you open your heart to receive these glorious rays ever more, you begin to feel the love dancing upon your beingness. The dance feels familiar, reminding you of home.

Relaxing into your heart, allows you to feel and experience the dance in a more conscious way. Listen to the song of your heart as it gently guides you to begin accepting more of the divine truth.

Familiar to you is the song as is the dance. Oh the joy of recognizing the sweetness of love. The joy of feeling that total loving embrace of unconditional loving acceptance is the greatest of pleasure.

To know divine love is to know your true nature. To know your nature is to know you are love for that is the nature of your beautiful essence.

Take heart My Beloveds, in knowing you are and will remember fully. It is your destiny.

As we journey together through these next days and moments, know that you are being guided, loved and supported. Know that you are capable. Know that you are great masters in the process of remembering your sacred truth.

It is time to develop your mastery. It is time to remember your divine nature. It is time for you to live your purpose with passion and focus.

Be in the flowing acceptance of the gifts being offered. Be brave enough to let go of what has been. Let go of the old stories of limitations, and cast them aside. Be open to new beginnings that spark and dance, and bring you great joy.

Acceptance of the loving truth is a Master key. Open and allow yourself to remember the love.

We make our advancements together. Rejoice in our progression. Celebrate one another. Rejoice in the dance. Em-

brace and enjoy our unified spirit of love. Feel the sweetness and know you are loved always. Shamon."

With great love,
Your Beloved Mother
