

The Blossoming of Personal Empowerment

By Jan Diana

My Beloved Children of Heart,

“Greetings on this glorious day. To be living at this time of great wonder is a gift, a privilege and a blessing. Of course you have called this forth from your heart as a desire to experience and fulfill.

To be a part of the collective of Earth at this time has its challenges yes, of course and yet the gifts of lightness that you will experience are beyond description. Having full awareness when you chose this timeframe and position for your life, you also knew of the greatest potentials and possibilities to experience the most amazement.

You are an adventurer. You are courageous and brave indeed, and yet you are more than that.

You have great wisdom within your heart consciousness. From this position you know the greater vision of the bigger picture of all that is possible and will be.

You hold such excitement in your heart as you come to realize more that the time you have been preparing for all of your life is close at hand. Yes My Beloveds, the time is now.

Living in the present moment assists you to access this knowing that dwells within your heart. The anticipation for what is to be grows in every moment as you feel into that inner awareness.

Prepare to receive the greatest wonder. Accept what lightness presents to you in every moment. This will take you deeper into the present moment, where your seeds of awareness are blossoming.

We are all in celebration of you. Look at you, what magnificent Masters of light you are!

You sense, know and feel yourself onto the greater pathways. You drink in the particles of light as they fall upon you as a thirsty rose drinking in the morning dew.

Each breath of awareness takes you to the next and the next.

The evolution to higher consciousness is your privilege and right to experience and obtain.

You are following your heart's path. It is becoming clearer to you as you embrace the greater vision you hold within your heart as truth.

The blessings are unfolding. Yet there are blessings about to flow upon you, perhaps bigger than you have ever imagined.

You are of such pureness. You are of such lightness. You are of such sweetness and brilliance.

All of your experiences on this beautiful dual plane have just been that, experiences. They have been a gift, for these experiences have led you to where you are now.

You can now choose to no longer allow any of the flavors of lesser value which you have experienced to enter into your now. With this conscious choice you are letting go of beliefs and perceptions that do not resonate with your truth. You recognize the blessing and value of the experiences as you release yourself from anything perceived as lesser, and begin to embrace the greater vision of your true authentic self.

It is a time to rejoice in the process. You are developing your innate abilities and gifts. This will continue to be so as you desire and in your timing of readiness.

You are beginning to know that you can choose to live realities, to have experiences that your heart desires. The seeds of personal empowerment are blossoming.

Ponder on this truth and acknowledge your great wonder. Though your journey has been a challenge many times, you are succeeding and will in your timing of course.

You are endowed with the gifts of heart. Your divine nature is of such greatness, such purity, such love. Your wisdom is expanding. Your personal development is happening.

And with your personal development and growing awareness, so it is with your brothers and sisters of Earth. It is a personal journey as well as a collective journey.

As you elevate yourself, your lighter radiance blesses you. It blesses those around you as well as the collective.

Imagine now the wonderful world we are creating together. See the New Earth in all its glory.

Peace and plenty for all. Freedom from disease and disharmony. No more flavors of lack, limitations or perceptions of lesser value.

Freedom to create and live your dreams, living in a world that loves, supports and celebrates you and all. Knowing the love and unity that is the divine nature of each and of all.

Spend some time pondering on your dream life. Live in your dream world. As you imagine, the vision becomes more clear.

Feel into the vision in joyfulness, expecting this wonder to unfold. Your heart will guide you in this endeavor.

Blessed one, your mastery is in process. You are the director. Listen to your inner guidance. Become accustomed to the joyful communion within your heart.

Follow the steps of your inner guidance. This will open up windows of glorious opportunities. Seek the authentic truth of yourself, your divine nature and purpose. Align yourself with what resonates with that higher truth.

There are many pathways; it is for you to choose. Your heart will guide you to reach your ideals.

Celebrate your victories now. Celebrate your future victories, for it is your divine right and destiny to be a success.

Blessings in abundance flow to you now and always My Beloveds. Open to receive with a joyful heart. Know the wonder of you as your seeds of personal empowerment blossom into the beauty of your true self. It is time. Shamon,”

With great love,
Your Beloved Mother
