THE SWEETNESS OF TRUTH

My Beloved Children of Heart,

“Greetings! Today I welcome each of you into My Heart. It is a place of great love, where you can feel the joy flowing to you more easily.

I welcome you into this beautiful place. It is a sacred place of great love. There are no judgements or measurements of lesser value here. There is only truth and the unconditional love and acceptance of each of you.

It is a way to assist you in remembering the greater truth of yourself. For indeed your truth has been a bit hidden from you on your grand adventure.

It is now a time for you in your readiness and choosing of course, to begin to deepen your connections to Our Heart. This will bring to your awareness a greater remembering of your truth, your divine nature and purpose.

You are purity. You are wisdom. You are joy. You are these and much more which really can be considered undefinable by words or descriptions.

The greatest truth for you to know is of your nature. You are love. You are the divine. Your truth is forever. The self of you on your journey of discovery is remembering this holy truth.

Each piece you remember leads to the next and to the next. As you discover these truths, you begin to expand and develop your many divine attributes.

These discoveries lead you to recognize even more abilities and gifts. As you develop your innate abilities, you will discover even more as it calls to you from your heart.

You build upon each awareness. Your consciousness opens to see and experience your life in new and exciting ways.

Imagine now that you are reaching a point where you will begin to truly know truth. What will this offer to you?

As you release from limiting perceptions and beliefs, you open to divine truth. This allows many windows of opportunities to present before you.

Imagine what wonder you will see and experience with these new opportunities! These were planned for you by you in the bigger plan you have written for your life journey before you incarnated.

The seeds of these opportunities were planted long before. They are now awakening to be discovered, fueled and blossomed into the fulfillment of their destinies.

You have a plan, a great destiny. The shift in focus is beginning to change from pathways of diversions, experiences of illusion of truth, to the realization of the divine truth of your nature and the truth of all that is.

I can feel your excitement as these words are spoken to you through our heart connection. I know of your joy in reaching this time of great promise, this time of the unfolding of great wonder.

You are ready to proceed. Accept and allow yourself to receive the streams of light flowing to you, to uplift, to enlighten and to inspire.

The blessings are here for you to choose to accept. As you allow these many gifts into yourself, you will begin to feel yourself and your life journey lighten.

It will feel as if someone has gifted you with a release from the burdens of the past. It will feel like gateways are open leading you to the freedom, the peace and the joy that you have desired.

Each little spark of awareness has its own blessings. Each adds to the recipe you have designed and are designing for fulfillment of your dreams and purpose.

Begin to spend some time pondering on your dreams. Connect with your heart through joyful thoughts and experiences. Let your heart guide you and be open to receive.

Your journey is blossoming into more because you are blossoming. Your seeds of truth are being showered upon by each thought of joy, peace, unity and love.

The more you focus on joy, peace, unity and love, the more you experience these flavors of delight. Love expands and becomes more. You expand and become more of your truth, living and expressing that delight.

Your opportunity to become all that you desire is here to be realized. The greatest fulfillment in life is awareness of truth.

To know who you are is the greatest gift of joy. To know this truth is to know great love.

Celebrate yourself. Celebrate your life journey for it has brought you to where you are now.

Know that the days ahead are filled with great promise. There are no limits to possibilities. All limitations are based on non-truth.

It has been a great adventure. Now you are moving into the greater awareness of what is truth. Your adventure is about to expand into even more excitement.

The joy of these words fills your heart as you recognize this truth. The sweetness of knowing is here. Drink of the sweetness of truth. Blossom in the joy of your heart. Live your life in the lightness which is your truth. You are My Children of light. Shamon”

With great love,
Your Beloved Mother
